About us

YouthLeisure.Net (Youth Leisure Network) – is a travel company that brings together young and active people, with an aim to offer a range of nowhere other seen activities and trips for all thrill seekers!

Biggest value of the company – always and everywhere together! In each trip or adventure we will be experiencing all the surprises and new thrills together, which will be waiting for all of us.

If it seems that life should be more active, fresher and something is missing, maybe it's time to take a step forward, as **Life begins at the end of your comfort zone!** Finally, this step will help you meet various new people and come back with a heart, full of the best memories.

Skydiving

And you will understand why birds are singing and skydivers are smiling!

Tandem skydiving is unquestionably the safest way to experience skydiving for the first time. After detailed instructions, you will experience exhilarating freefall with an instructor and enjoy the breathtaking views of Lithuanian landscape, while gently descending from 3000 km to earth. On the ground you will be met with a diploma and understanding why birds are singing and skydivers are ALWAYS smiling!

Cold war relics in Latvia

Let's travel back in time discovering Soviet Latvia! During two day trip we will discover most unique objects for the whole post soviet Baltic states – Irbene radio telescope station and Ligatne top leadership bunker.

Trip will start at 8th largest radio telescope in the world, which is located in Ligatne. This was extremely secret, as it had a mission to track satellite telecommunications between USA and Europe.

Of course travelling back in time won't be finished until everyone will experience a night at Ligatne resort, which was purposely built to cover the location of Soviet Latvia leadership bunker located under it!
